RideOn! & Bait Bikes

REGISTER. LOCK. REPORT.

Why Register?

- **Bicycle Identification** - If your bike is stolen and is registered with the City department can easily search registration records because your register name as well as by serial number and registration number.
- **Recovered Bikes Returned to Owners** - A registered bike greatly increases to its owner.
- **Rider Identification** - Bicycle registration aids in identifying the bicycle and bicyclists don't carry identification. This is especially true for children.
