Statewide Energy Efficiency Collaborative

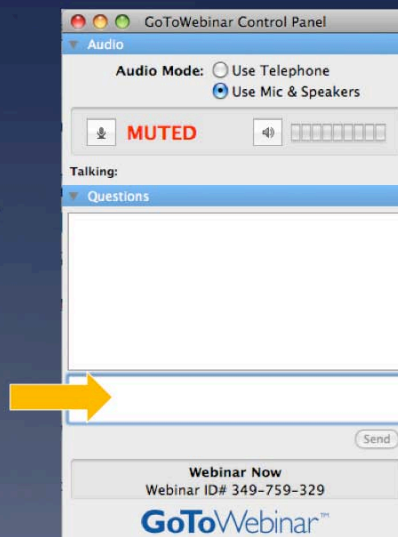

AN ALLIANCE TO SUPPORT LOCAL GOVERNMENT

- * The Statewide Energy Efficiency Collaborative (SEEC) is a new alliance to help cities and counties reduce greenhouse gas emissions and save energy. SEEC is a collaboration between three statewide non-profit organizations and California's four Investor Owned Utilities.

Webinar Logistics

Questions: At any point during the presentation, you can type your question into the question text box and click send. All questions will be read aloud and answered at the end of the presentations, as long as time permits.
