

SAN JOAQUIN VALLEY URBAN FORESTRY RESOURCE

Realize the many benefits your urban forest provides by keeping your existing trees healthy & planting new trees with the resources listed below.

MANAGEMENT PLAN:

ARBORPRO:	Provides municipal GPS tree inventories and management plans for cities throughout the U.S:	http://www.arborprousa.com/
BARTLETT TREE EXPERTS:	Management plan offered as a commercial service, contact information also listed:	https://www.bartlett.com/commercial-tree-inventory.cfm
COMMUNITYVIZ:	GIS modeling software to help users envision changes to their landscapes and understand the ecosystem service impacts associated with those alternatives:	http://placeways.com/communityviz/
CALIFORNIA URBAN FOREST COUNCIL:	Free toolkit for anyone managing a large population of trees in or near urban areas:	http://www.ufmptoolkit.com/
DAVEY RESOURCE GROUP:	Offer management software that help clients: track work histories and costs for each tree, record requests for tree service, create work orders for crews and contractors, evaluate planting sites, calculate tree values and benefits, and accurately determine budgets:	http://www.davey.com/natural-resource-consulting/urban-forestry/urban-forestry-management-software/
	In addition to management software, they also provide management planning:	http://www.davey.com/natural-resource-consulting/urban-forestry/management-planning/
HORTSCIENCE:		http://www.hortscience.com/Topic.aspx?wiki_id=49
INLAND URBAN FOREST GROUP:	Provide workshops on the Urban Forestry Management Plan Tool Kit:	http://www.ufmptoolkit.com/

SAN JOAQUIN VALLEY URBAN FORESTRY RESOURCE

Realize the many benefits your urban forest provides by keeping your existing trees healthy & planting new trees with the resources listed below.

TREE INVENTORY

ARBORPRO:	Provides municipal GPS tree inventories and management plans for cities throughout the U.S:	http://www.arborprousa.com/
BARTLETT TREE EXPERTS:	Tree inventory offered as a residential service, contact information also listed:	http://www.bartlett.com/tree-inventory.cfm
DAVEY RESOURCE GROUP:	Tree inventory services, contact information available:	http://www.davey.com/natural-resource-consulting/urban-forestry/tree-inventory/
TALKING2TREES:	Software to collect and manage urban tree inventory data:	http://www.talking2trees.com/
	User guide:	http://t2trees-test.weebly.com/uploads/3/9/6/2/39626035/_t2t_getting_started_with_v1.3.pdf
US GEOLOGICAL SURVEY:	Good resource for free aerial images.	http://www.usgs.gov/
WESTERN CHAPTER ISA:	Nonprofit corporation engaged or interested in the practice of arboriculture:	http://www.wcisa.net/
WEST COAST ARBORISTS:	Tree inventory services:	http://westcoastarborists.com/services/management-services/tree-inventories/
	Contact region of interest for more information:	http://westcoastarborists.com/contact/

ORDINANCES/POLICY:

INTERNATIONAL SOCIETY OF ARBORICULTURE:	Tool for local governments/communities interested in developing, revising, or evaluating tree ordinances:	http://www.isa-arbor.com/education/resources/educ_TreeOrdinanceGuidelines.pdf
------------------------------------------------	-----------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------------------

SAN JOAQUIN VALLEY URBAN FORESTRY RESOURCE

Realize the many benefits your urban forest provides by keeping your existing trees healthy & planting new trees with the resources listed below.

URBAN FOREST MANAGEMENT PLAN TOOLKIT:

<http://www.ufmptoolkit.com/index.htm>

http://www.inlandurbanforestcouncil.org/index.php?option=com_content&view=article&id=57&Itemid=63

TREE CARE/MAINTENANCE:

ANDERSON TREE EXPERTS INC:	Pruning services, health and maintenance evaluations. Located in Oakdale, CA:	https://plus.google.com/105290107712314617144/about?gl=us&hl=en
ASPLUNDH:	Offer street and park tree pruning. Contact information available on web page:	http://www.asplundh.com/services_municipal_DOT.htm
CALIFORNIA LANDSCAPE CONTRACTORS ASSOCIATION:		http://clca.org/index.php
CENTRAL VALLEY TREES & LANDSCAPE SERVICE:	Offer corrective pruning for young and mature trees:	http://www.cvltrees.com/treeWork.html
	Contact information link:	http://www.cvltrees.com/contact.html
VALLEY CREST LANDSCAPE COMPANIES:	Tree care services:	http://www.valleycrest.com/vc/#/divisions/tree-care-services/

SAN JOAQUIN VALLEY URBAN FORESTRY RESOURCE

Realize the many benefits your urban forest provides by keeping your existing trees healthy & planting new trees with the resources listed below.

Landscape maintenance: <http://www.valleycrest.com/vc/#/divisions/landscape-maintenance/>

Tree nursery: <http://www.vctree.com/menu.asp>

WESTERN CHAPTER ISA: Nonprofit corporation engaged or interested in the practice of arboriculture: <http://www.wcisa.net/>

TREE PLANTING:

TREE PLANTING EDUCATIONAL RESOURCES:

ARBOR DAY FOUNDATION: Guidelines for tree care with specific tips listed below. For complete list please follow link: <http://www.arboday.org/trees/tips/index.cfm>

Online tool in selecting the right tree for the right place: <http://www.arboday.org/shopping/trees/treeWizard/intro.cfm>

Guidelines for selecting a healthy tree: <http://www.arboday.org/trees/tips/selecting-a-healthy-tree.cfm>

How to plant bare root, balled/burlapped and containerized trees: <http://www.arboday.org/trees/tips/planting.cfm>

CAL POLY: <http://selecttree.calpoly.edu/>

CALIFORNIA INVASIVE PLANT COUNCIL (CAL-IPC): Good resource on invasive plants <http://www.cal-ipc.org/>

CALIFORNIA NATIVE PLANT SOCIETY: Great resource for California native plants - site has a native plant database. <http://www.cnps.org/>

INTERNATIONAL SOCIETY OF ARBORICULTURE: Detailed PDF/DWG files of tree planting details and specifications: <http://www.isa-arbor.com/education/onlineResources/cadPlanningSpecifications.aspx>
